- Provide microgrants to on the ground organizing and GOTV organizations

CANDIDATE SPOTLIGHT

CATHERINE CORTEZ MASTO

We were thrilled to endorse and invest over \$150,000 to Senator Cortez Masto, who faced the tightest margin of victory in 2022. As a former Attorney General, the first woman from Nevada and first Latina ever elected to the US Senate, Senator Masto is a critical voice to continue championing legislation to ensure ballots can be cast freely, fairly, and securely.

DEFEND THE VOTE WILL MORE THAN DOUBLE ITS INVESTMENT IN 2024.
